

Pam Jordan
704-839-1891

Hello,

My name is Pam Jordan, a Hair Designer and at wner of Trendsetters Styling Salon. I'm here just to cater to you and all of your hair care needs. I am here as your hair physician, to educate you on hair care and maintenance.

I use only professional product available to license professional cosmetologist. I carry the following product lines: Design Essential and Affirm.

I do realize that some clients may not be able to get their hair done as often as they would like, so I want to encourage you to get all of your chemicals professionally done and take advantage of purchasing the necessary retail items for your home maintenance care.

Even though I own Trendsetters I alternate my work schedule between The Lion's Den and Trendsetters. The Lion's Den is located in Charlotte at 1107 Beatties Ford Rd. Please book online at [Trendsetters/Lion's Den - Schedule Appointment](#).

I take pride in what I do and that's giving you the best possible service I have to offer. So come, let me give your hair the attention it deserves. Visit my website for more information at [Trendsetters](#).
